3 Light Flush Mount

Stunning and dramatic, Islene is a clean, contemporary design. Like panels of ice, panels of Hammered Water Glass, in assorted sizes, hang at varying heights from a wide metal hoop. The thick, textured glass allows admirers to experience the beauty of transparent glass without blinding glare. Layers of tiered pieces of glass form a drum shade to diffuse the inner lamps. Islene is available in a selection of sophisticated finishes: Matte Black and White Gold. The 3-light flush mounts are damped-rated for use throughout your home.
