Muse Large Mirror

1000-0101

Overall: 1"d x 47"dia

Finish: Natural/Ivory/Brass/Mirror

Materials: Wood/Composite/Brass/Glass

Item Weight: 40 lb

The Muse Large Mirror is a contrast in materials and tones. Pieces of Sheesham wood and composite are fastened onto its frame, the warmth of the woodgrain contrasting the pale smooth pieces of composite. Both materials are rounded on the edge to give the mirror a fluted profile. The brass pins at the culmination of each piece of wood add a sophisticated design detail on this wood decorative mirror. The Muse also comes in a smaller size.
